GENERAL SECRETARY. 17 APR. 1941

Re: the continuance of the Annual Grants to the Indian Red Cross Society, Mysore State Branch, Bangalore, (at an enhanced rate) and to the St.John's Ambulance Association, Bangalore.

Adverting to Government Order No.795-7/Muz.130-39-2 dated 10th October 1939 sanctioning an annual grant of Rs.750/- to the Indian Red Cross Society, Mysore State Branch, Bangalore and Rs.500/- to the St. John's Ambulance Association, Bangalore, for a period of two years from 1939-40, I have the honour to forward herewith a copy of letter No.I.R.C.S.275 dated 5th February 1941 received from the Organising Secretary of the Indian Red Cross Society on the above subject and to state as follows:-

2) The organising Secretary states that the grant sanctioned from the Chattram Savings Fund by the Government was of immense benefit to the Society and that an appreciable progress has been made in regard to the development of the Maternity and Child Welfare movement for which alone a total sum of Rs.9,468-2-9 was paid as grants during the year 1940.

3) It is seen from the statement of accounts for the year ending 31st December 1940 printed in the Annual Report of the Society, that there was a total expenditure of Rs.17,203-6-5 as against the actual receipts of Rs.18,475-9-8. As per standing Orders, the grant-in-aid to be recommended should not exceed 1/3 of the total expenditure,

which in this

which in this case will be about Rs.5,700/-. The Secretary requests that the grant may be enhanced to Rs.1,000/- per annum and the same continued for a further period of two years.

4) The Honorary Secretary of the St. John's Ambulance Association, Mysore State Centre, Bangalore, in his letter No.184/41 dated 10th March 1941 (copy enclosed) requests that the enhanced Annual Grant of Rs.750/- sanctioned to the Association in Government Order No.330-2/Muz.36-40-2 dated 10th August 1940 may be renewed. The accounts of this association for the year 1940 show that there was an expenditure of Rs.4,289-2-0 as against the annual total income of Rs.4,695-14-6 excluding the Opening balance.

5) As both the Institutions are doing good work in the cause of humanity and for the relief of the suffering, I recommend that sanction of Government may kindly be obtained for the enhancement of the grant to the Indian Red Cross Society (Mysore State Branch) from Rs.750/- to Rs.1,000/- a year and to continue it for a period of two years and also for the continuance of the grant to the St. John's Ambulance Association at Rs.750/- per annum for a further period of two years from 1941-42, the charge being met from the Chattram Savings Fund as heretofore.

6) The Printed Annual Reports for 1940 of both the Institutions received in this Office are sent herewith for reference and kind return.

I have the honour to be,

Sir,

Your most obedient servant,

Abdul Wajid.

Muzrai Commissioner.

Letter No.I.R.C.S.275 dated 5-2-1941 from the Organizing Secretary, Indian Red Cross Society, Mysore State Branch, Bangalore, to the Muzrai Commissioner in Mysore, Bangalore.

-----:o:-----

As will be kindly seen from the enclosed copy of the Annual Report of the Mysore State Branch for 1939, appreciable progress has been made in regard to the development of Maternity & Child Welfare movement. During the year 1940, the following grants were paid to Maternity Homes and towards appointment of additional midwives:-

1.	Amount paid as Red Cross quota of cost towards the pay of Midwives.	..	Rs.1,446-15-6
2.	Amount paid towards equipment of Maternity ~~buildings~~ Homes.	..	369-14-9
3.	Amount paid towards construction of Maternity buildings, etc.	..	600- 0-0

I, therefore, request you to kindly recommend to Government to increase the Government Grant to Rs.1,000/- and to continue their generous support for a further period of two years.

The favour of an early reply is requested.

FINANCE

The year commenced with an opening balance of Rs 449 8 1 and the total receipts amounted to Rs 4,695 14 6 The total

expenditure amounted to Rs 4 283 2 0 leaving a balance of Rs 856 4 10

The Department of Public Instruction and the Medical Department of the State have helped the Association a good deal The Association expresses its indebtedness to both these departments

The Honorary Secretary of the Association went on tour round some parts of Hassan, Kadur and Tumkur Districts in the month of January to arrange first aid classes in the schools In April he visited Mysore for the same purpose

While distributing the prizes and awards to the winners of the competitions on the 27th March 1940 the President of the evening, Sir Mirza M Ismail, K C I E, O B E. C St. J., Dewan of Mysore, stressed on the desirability of all drivers of motor vehicles having knowledge in first aid and of the necessity for refresher courses for such men so that they may be useful during times of accidents The Traffic Board to whom reference was made to insist on the refresher course for bus conductors and drivers have not viewed the matter sympathetically as in their opinion these refresher courses will not be popular amongst bus onductors and drivers as it may put them to additional expenses An appeal will be launched to the owners of motor vehicles to engage as drivers only such people that possess first aid certificates

The Association has been endeavouring its utmost to impart the knowledge of Home Nursing to the woman folk but the response is too poor to mention, though the Association is ready to render any help in the matter of training

The thanks of the Committee are due to Mr A Rama Swamiengar B Com, G D A, R A Accountant & Auditor

for kindly undertaking the duties of the Honorary Auditor of the accounts of this Association for the year 1940.

Thanks of the Committee are also due to several doctors both in service and private practice who have helped in conducting classes in First Aid and Home Nursing and examinations.

The Association is highly indebted to the Government of Mysore for their annual grant which has been raised from Rs. 500/- to Rs. 750/- for the year 1940-41.

The Bangalore City Municipality appreciating the work of the Association have been pleased to grant Rs. 300/ for the year 1940—41. The Association expresses its gratitude to the Municipality and hopes that the City fathers will continue to extend their liberal financial aid in future years.

The Women's Auxiliary Committee held meetings almost every month to deliberate on important affairs of the Committee that came up for consideration from time to time. The Sub-Committees also held their meetings periodically.

Working Parties.— The Women's Auxiliary Committee started with about 15 work parties at the

beginning of the year under report and they had at the close of the year about 24 work parties functioning enthusiastically in several parts of the Mysore State. Offers of war services were received from ladies individually and collectively from both city and mofussil areas. Their services were enlisted, and instructions and materials were supplied to them for enabling them to make warm garments, hospital requirements, etc. The efforts shown by the work parties have been very satisfactory. Though some of the work parties started work only recently their out-turn during the short-time has been remarkable.

First Aid and Home Nursing.— With the help of the Secretary of the St. John Ambulance Association, Mysore State Centre, the Sub-Committee in charge of First Aid and Home Nursing were able to promote interest in first aid and home nursing among the ladies. the Sub-Committee met periodically to discuss the possibility of extension of first aid and home nursing classes and deputed certain members of the Sub-Committee to visit various institutions such as educational institutions, Missions, Clubs, Samajas, etc., to induce them to start classes in first aid and home nursing. Besides classes conducted at individual institutions, general classes were started at the Ladies' Club and GirlGuide Headquarters, Bangalore, to train up ladies interested in these subjects. The Secretary of the local St. John Ambulance Association has rendered great help for obtaining qualified men and women doctors to give lectures. In addition to the personal interest evinced by the members of the Sub-Committee to promote first aid and home nursing classes, advertisements were inserted in the local newspapers inviting applications from interested ladies to join the free classes organised at the Ladies' Club, Bangalore. An examination in First Aid and Home Nursing was held in February 1940, and the results were very satisfactory. Reports of classes held successfully were also received from 'Shanti Sadan'

Bangalore City, Vani Vilas School, Bangalore City, Ladies' Association, Malleswaram, Women's Auxiliary Committee, Mysore City, and from several other institutions.

Gifts and Comforts sent to the Troops.— During the year under report about 75 cases containing gifts, amenities, warm garments, hospital requirements, etc., were despatched by the Women's Auxiliary Committee. The Committee also collected magazines and sent them to the Amenities for Troops Fund, for despatch to the Indian Expeditionary Forces. The Superintendent, Government Soap Factory, Bangalore, kindly supplied 20 lbs. of washing soap free, every month, for the use of the troops.

Other Activities.—In addition to the very satisfactory work turned out by the work parties, some of them have been able to canvas and sell tickets for fetes and entertainments got up in aid of war. They collected Christmas gifts for troops from merchants and other persons of the localities in which they are working, and contributed their own gifts also. The gifts collected included food stuffs, cigarettes and beedies, socks, handkerchiefs, bandages, playing cards, pickes, etc.

Dharmaprakasa V. D. Rajaram Mudaliar's Endowment Fund.

The Mysore State Branch of the Indian Red Cross Society was entrusted in 1934 with the management of Dharmaprakasa V D Rajaram Mudaliar's Endowment Fund, created for the establishment and maintenance of "Kamalammal Maternity Home and Child Welfare Centre" at Nanjangud Mr Rajaram Mudaliar gave a donation of Rs 23,000 for the above

purpose in October 1934. Out of this amount, a sum of Rs. 13,000 intended for the construction of the Centre was kept in S B. Account with the Government of Mysore and the balance of Rs. 10,000 intended for the maintenance of the Centre was deposited in the Endowment Fund with the Government of Mysore. A sum of Rs. 5,000 only was appropriated towards the construction of the Centre. The balance together with the interest earned both in S B and Endowment Fund accounts was transferred to Endowment Fund in 1938 and thus the Endowment Fund raised from Rs 10,000 to Rs. 19,000.

The Centre was opened by the Dewan on 19th February 1937 but it actually started work on 1st May 1937. It has been working satisfactorily and a brief report of the work done by it is printed on pages.....under Red Cross Branches.
